

HER GAME PLAN

The Women Playmakers' Network

brand presentation

the **logo**

Why this logo?

The HGP logo features bold lettering integrated with X's, O's, and arrows, a visual nod to game strategy, movement, and play calling. These elements represent more than sports. They symbolize planning, collaboration, and taking action.

Each letter becomes a play in motion:

X's represent teammates, challenges, and structure. O's represent community, connection, and opportunity. Arrows signal direction, progress, and momentum.

passionate, trendy, empowering

Power in every shade:
a palette inspired by

**strength,
growth, and
connection.**

The modern, empowering palette reflects the core values of Her Game Plan. Each color was chosen with intention, representing strength, growth, and community in women's sports. Blitz signals ambition, Tennis brings renewal and momentum, Bleacher grounds with balance, and Roster adds confidence and trust. Together, these four primary hues form a versatile system, flexible across all platforms while staying true to the mission: building connection and support for women in sports.
